## Joel Solomon Goldsmith

(March 10, 1892 – June 17, 1964) was an American spiritual author, teacher, spiritual healer, and modern-day mystic. He founded The Infinite Way movement.

He was a healer who spent many years in spiritual studies, reading original scriptures of Aramaic, Greek and Sanskrit origins. His first book, *The Infinite Way*, was published in 1948.

In 1928, the Experience took place, that first God-experience. An experience that could not be described. "Whereas in one moment I was like every other human being, in the next moment my body was well, and many undesirable human habits were gone. I found that a healing power was present and that I was on the threshold of a whole new life".

From "The Government of Eden":

1. If the Kingdom of God Is Within Me,  
Why Am I Disturbed?

Whenever a threat comes from a government, the head of a government, the representative of a government whenever a threat comes from any direction, let us remember: "Thou couldst have no power except it were given thee of God," for God is omnipotent, all power.

"Why was the kingdom of God established in me, and what is its function? Why am I neglecting it? Why am I overlooking it? Why am I ignoring it? Have I never heard that the kingdom of God is within me? Have I never wondered why it is within me, how it got there, what its purpose is, what its function is, and how to bring it forth into expression?"

Well, I will answer the last question first. The way to bring it forth into expression is to look your enemy right in the eye, whether your enemy is a physical, mental, moral, or financial condition, or whether it is a tyrant out in the world or some of the mothers-in-law that we read about.

Healing is not removing disease from the human being; it is revealing his Christhood, and that can come about only through the destruction of the carnal mind. The destruction of the carnal mind comes only through the understanding of one power, impersonalization, and nothingization. The practice of these principles brings the purification that is the preparation for the anointing.

Never personalize, never restrict or limit God to a specific person or channel. It is like limiting the sun to a specific garden. Look above your garden. See the warmth and light of the sun. The sun is impartial, universal, and impersonal. Look above forms and see it omnipresent as all form.
