Miracle Work

The power to work Miracles BELONGS to you. I will create the right opportunities for you to do them. But you must be ready & willing to do them, since you are already able to. Doing them will bring conviction in the ability. I repeat that you will see Miracles through your hands through MINE. Conviction really comes through accomplishment. Remember that ability is the potential, Achievement is its expression, and Atonement is the Purpose.

miracle impulse 2

Christ inspires all miracles.

Christ inspires all miracles, which are essentially intercessions. They intercede for man's holiness, and make him holy. They place man beyond the physical laws, and raise him into the sphere of celestial order. In this order, man IS perfect.

The Love of God.

The love of God, for a little while, must still be expressed through one body to another. That is because the real vision is still so dim. Everyone can use his body best by enlarging man's perception, so he can see the real VISION.

miracle impulse 3

Levels of consciousness

Remember the point about Miracles as a means of organizing different levels of consciousness. Miracles come from the (below conscious) (subconscious) level. Revelations come from the above conscious level. The conscious level is in between & reacts to either sub- or super-conscious impulses in varying ratios.

Consciousness

Consciousness is the level which engages in the world, and is capable of responding to both external & internal impulses. Having no impulses from itself, and being primarily a mechanism for inducing response, it can be very wrong.

levels of consciousness

miracle impulse 4

Subconscious impulses

the subconscious impulses properly induce Miracles, which ARE interpersonal, and result in closeness to others. This can be misunderstood by a personally willful consciousness as an impulse toward sexual gratification.

The Revelation

The Revelation unites Souls directly with God.

miracle impulse 4

Free to believe

Man is free to believe what he chooses.
What he DOES attests to what he believes.

The deeper levels of his subconscious

The deeper levels of his subconscious always contain the impulse to Miracles, but he is free to fill its superficial levels, which are closer to consciousness, with the impulses of this world and to identify himself with them. This results in denying himself access to the miracle level underneath. In conscious actions, then, his interpersonal relationships also become superficial, and miracle-inspired relating becomes impossible.

miracle impulse 5

While he is IN the body.

While he is IN the body, however, man can choose between loveless and miraculous channels of creativity.

Miracles praise God through men.

Miracles praise God through men. They praise God by honoring his Creations, affirming their perfection. They heal because they deny body-identification and affirm Soul-identification. By perceiving the Spirit, they adjust the levels and see them in proper alignment. This places the Spirit at the center, where Souls can communicate directly.

miracle impulse 6

The body cannot create

The body cannot create, and the belief that it CAN, a fundamental error responsible for most of the fallacies already referred to, produces all physical symptoms.

Christ inspires all miracles

Christ inspires all miracles, which are essentially intercessions. They intercede for man's holiness, and make him holy. They place man beyond the physical laws, and raise him into the sphere of celestial order. In this order, man IS perfect.

miracle impulse 7

Ways of Relating

Unconscious distortions (above the miracle level), are producing a dense cover over miracle-impulses which makes it hard for them to reach consciousness.

Sex & miracles are both WAYS OF RELATING. The nature of any interpersonal relationship is limited or defined by what you want it to DO which is WHY you want it in the first place. Relating is a way of achieving an outcome.

miracle impulse 8

Underlying Mechanisms

Indiscriminate sexual impulses resemble indiscriminate miracle impulses in that both result in body image misperceptions.

The first is an expression of an indiscriminate attempt to reach communion through the body. This involves not only the improper self identification, but also disrespect for the individuality of others.

Self-control is NOT the whole answer to this problem, though I am by no means discouraging its use. It must be understood, however, that the underlying mechanism must be uprooted.

miracle impulse 9

The confusion of miracle impulses

The confusion of miracle impulse with sexual impulse is a major source of perceptual distortion, because it INDUCES rather than straightening out the basic level-confusion which underlies all those who seek happiness with the instruments of the world. A desert is a desert is a desert. You can do anything you want in it, but you CANNOT change it from what it IS. The thing to do with a desert is to LEAVE.

The impersonal nature of miracles

Miracles arise from a miraculous state of mind. By being One, this state of mind goes out to ANYONE, even without the awareness of the miracle worker himself. The impersonal nature of miracles is because Atonement itself is one, uniting all creations with their Creator.

A miracle is never lost. It touches many people you may not even know, and sometimes produces undreamed of changes in forces of which you are not even aware. This is not your concern. It will also always bless YOU. This is not your concern, either.

Inappropriate sex drives

Inappropriate sex drives (or misdirected miracle-impulses) result in guilt if expressed, and depression if denied. We said before that ALL real pleasure comes from doing God's will. Whenever it is NOT done an experience of lack results. This is because NOT doing the will of God IS a lack of self.

Sex was intended as an instrument for physical creation to enable Souls to embark on new chapters in their experience, and thus improve their record.

miracle impulse 12

Bring its own illumination

The pleasure which is derived from sex AS SUCH is reliable only because it stems from an error which men shared. AWARENESS of the error produces the guilt. DENIAL of the error results in projection. CORRECTION of the error brings release.

The only VALID use of sex is procreation. It is NOT truly pleasurable in itself. "Lead us not into Temptation" means "Do not let us deceive ourselves into believing that we can relate in peace to God or our brothers with ANYTHING external."

Upside down logic

The “sin of Onan” was called a “sin” because it involved a related type of self-delusion; namely, that pleasure WITHOUT relating can exist.

The concept of either the self or another as a “sex-OBJECT” epitomizes this strange reversal. It IS objectionable, but only because it is invalid. Upside down logic produces this kind of thinking.

miracle impulse 14

The good, the beautiful and the holy

Child of God, you were created to create the good, the beautiful, and the holy. Do not lose sight of this. Invite Me to enter anywhere temptation arises. I will change the situation from one of inappropriate sexual attraction to one of impersonal miracle-working.

The love of God, for a little while, must still be expressed through one body to another. That is because the real vision is still so dim. Everyone can use his body best by enlarging man's perception, so he can see the real VISION. THIS VISION is invisible to the physical eye.

The ability to perceive.

The ultimate purpose of the body is to render itself unnecessary. Learning to do this is the only real reason for its creation.

Prayer is the medium of miracles. The miracle prayer IS “If you will tell me what to do, ONLY THAT I will to do”. This prayer is the door that leads out of the desert forever.

The distinction has also been made here between “miracle-mindedness” as a STATE, and “miracle-doing” as its expression.

miracle impulse 16

Listen, Learn and Do

The former needs YOUR careful protection, because it is a state of miracle-READINESS. This is what the Bible means in the many references to “Hold yourself ready” and other similar injunctions.

Readiness here means keep your perception right side up, (or valid), so you will ALWAYS be ready, willing, and able. These are the essentials for “listen, learn, and do.”

You must be

READY to listen

WILLING to learn

and ABLE to do

Grace is a total commitment

“Able to do” is involuntary, because it is the APPLICATION of miracles which must be Christ-controlled. But the other two, which are the voluntary aspects of miracle-mindedness, ARE up to you.

To channelize DOES have a “narrowing down” connotation, though NOT in the sense of lack. The underlying state of mind, or Grace is a total commitment. Only the DOING aspect involves the channel at all. This is because doing is always specific.

Bodily appetites.

Bodily appetites are NOT physical in origin, because the ego regards the body as its home, and DOES try to satisfy itself through the body. But the IDEA that this is possible is a decision of the ego, which is completely confused about what is really possible.

The miracle is a learning device which lessens the need for time. The sudden shift from horizontal to vertical perception which the miracle entails introduces an interval from which the doer and the receiver both emerge much farther along in time than they would otherwise have been.

Abolishing Time.

A miracle has thus the unique property of abolishing time by rendering the space of time it occupies unnecessary. There is NO relation between the time a miracle TAKES and the time it COVERS. It substitutes FOR learning that might have taken thousands of years. It does this by the underlying recognition of perfect equality and holiness between doer and receiver on which the miracle rests.

Channels of Creativity.

While he is IN the body, however, man can choose between loveless and miraculous channels of creativity. He can create an empty shell, but he DOES NOT create nothing at all. He can wait, delay, paralyze himself, reduce his creativity almost to nothing, and even introduce a real developmental arrest or regression. But he CANNOT abolish his creativity. He CAN destroy his medium of communication, but NOT his potential.

Time Control Factor.

He was NOT created by his own free will. Only what HE creates is his to decide. The basic decision of the miracle-minded is NOT to wait on time any longer than is necessary. Time can waste, as well as be wasted. The miracle-worker, therefore, accepts the time-control factor of the miracle gladly, because he knows that every collapse of time brings all men closer to the ultimate RELEASE from time, in which the Son and the Father ARE one.

This confusion.

A crucial source of the ego's off-balance state is its lack of discrimination between impulses from God and from the body. Any thought-system which makes THIS confusion MUST be insane.

Fantasies are distorted forms of thinking, because they always involve twisting perception into unreality. Fantasy is a debased form of vision. Visions and Revelations are closely related.

Fantasies & projection are more closely associated, because both attempt to control external reality according to false internal needs.

Live and let live

“Live and let live” happens to be a very meaningful injunction. Twist reality in any way, and you are perceiving destructively. Reality was lost through usurpation, which in turn produced tyranny. I told you you were now restored to your former role in the Plan of Atonement. But you must still choose freely to devote your heritage to the greater Restoration. As long as a single slave remains to walk the earth, your release is not complete. Complete restoration of the Sonship is the only true goal of the miracle-minded.

Man believes in what he creates

Sexual fantasies are distortions of perception by definition. They are a means of making false associations, and obtaining pleasure from them. Man can do this only because he IS creative. But although he can perceive false associations, he can never make them real except to himself. As was said before, man believes in what he creates. If he creates a miracle, he will be equally strong in his belief in that. The strength of his conviction will then sustain the belief of the miracle receiver.

Proper focus

NO fantasies, sexual or otherwise, are true. Fantasies become totally unnecessary as the Wholly satisfying nature of reality becomes apparent. The sex impulse IS a miracle impulse when it is in proper focus. One individual sees in another the right partner for “procreating the stock” (Wolff was not too far off here), and also for their joint establishment of a creative home. This does not involve fantasy at all. If I am asked to participate in the decision, the decision will be a Right one, too.

Shifting the sexual impulse.

In a situation where you or another person, or both, experience inappropriate sex impulses, KNOW FIRST that this is an expression of fear. Your love toward each other is NOT perfect, and this is why the fear arose. Turn immediately to me by denying the power of the fear, and ask me to help you to replace it with love. This shifts the sexual impulse immediately to the miracle-impulse, and places it at MY disposal.

True Creative Worth.

Then acknowledge the true creative worth of both yourself AND the other one. This places strength where it belongs. Note that sexual fantasies are ALWAYS destructive (or depleting), in that they perceive another in an inappropriate creative role. Both people are perceived essentially as “objects” fulfilling THEIR OWN pleasure drives. This dehumanized view is the source of the DEPLETING use of sex.

The shift from miracle impulses to sexual impulses was debilitating in the first place, because of the level-confusion involved. This set up a state in which real release was impossible.

Energizer.

Inappropriate sex relaxes only in the sense that it may induce physical sleep. The miracle, on the other hand, is an ENERGIZER. It always strengthens, and never depletes. It DOES induce peace, and by establishing tranquility (not relaxation) it enables both giver and receiver to enter into a state of Grace. Here his miracle mindedness, (not release from tension) is restored.

Real Creative Power.

Tension is the result of a building-up of unexpressed miracle-impulses. This can be truly abated only by releasing the miracle drive, which has been blocked. Converting it to sexual libido merely produces further blocking. Never foster this illusion in yourself, or encourage it in others. An "object" is incapable of release, because it is a concept which is deprived of creative power. The recognition of the real creative power in yourself AND others brings release because it brings peace.

Body image distortions

As was said before, homosexuality is INHERENTLY more risky (or error prone) than heterosexuality, but both can be undertaken on an equally false basis. The falseness of the basis is clear in the accompanying fantasies. Homosexuality ALWAYS involves misperception of the self OR the partner, and generally both.

Penetration DOES NOT involve magic, nor DOES ANY form of sexual behavior. It IS a magic belief to engage in ANY form of body image activity at all. You neither created yourselves, nor controlled your creation. By introducing levels into your own perception, you opened the way for body-image distortions.

Best corrective measure

The lack of love (or faulty need-orientation) which led to your particular person (not OBJECT) choices CAN BE corrected within the existent framework, and would HAVE to be in the larger interest of overall progress. The situation is questionable largely because of its inherent vulnerability to fantasy-gratification. Doing the best you can WITHIN this limitation is probably the best corrective measure at present. Any relationship you have undertaken for whatever reasons becomes a responsibility.

Need orientation

If you shift your own needs, some amount of corresponding shift in the need-orientation of the other person **MUST** result, This will be beneficial, even if the partner was originally attracted to you **BECAUSE** of your disrespect. Teaching devices which are totally alien to a learner's perceptual system are usually merely disruptive.

Transfer depends on **SOME** common elements in the new situation which are understandable in terms of the old.

No distinction

The miracle makes no distinction among degrees of misperception. It is a device for perception-correction which is effective quite apart from either the degree or the direction of the error. This is its TRUE indiscriminateness.

Christ-controlled miracles are selective only in that they are directed toward those who can use them for THEMSELVES. Since this makes it inevitable that they will extend them to others, a very strong chain of Atonement is welded.

Restoring reality.

Christ-control takes no account at all of the MAGNITUDE of the miracle itself, because the concept of size exists only in a plane that is itself unreal. Since the miracle aims at RESTORING reality, it would hardly be useful if it were bound by the laws of the same error it aims to correct. Only man makes that kind of error. It is an example of the “foolish consistency” his own false beliefs have engendered.

It is True.

The miracle compares the creations of man with the higher level of creation, accepting what is in ACCORD as true, and rejecting the DISCORDANT as false. This is why it is so closely associated with validity. Real validity is both true AND useful, or better, it is useful BECAUSE it is true.

Attraction of God.

The truth is still that the attraction of God is irresistible at ALL levels, and the acceptance of this totally unavoidable truth is only a matter of time. But you should consider whether you WANT to wait, because you CAN return now, if you choose.

Everything that man creates has energy because, like the Creation of God, they (it) come FROM energy, and are endowed by their creator with the power to create. Miscreation is still a genuine creative act in terms of the underlying IMPULSE, but NOT in terms of the CONTENT of the creation.

What we create.

Miracles are thought-creations. Thought can create lower-order or higher-order realities. This is the basic distinction between intellectualization and thinking. One creates the physical, and the other the spiritual, and we believe in what we create.

Miracles are the absence of the body. They are sudden shifts into invisibility, away from lower order reality. That is why they heal.

Your Happiness.

There is no NEED to suffer any more. But there IS need that you be healed, because the suffering of the world has made it deaf to its salvation and deliverance. The resurrection of the world awaits YOUR healing and YOUR happiness, that you may DEMONSTRATE the healing of the world.

A miracle is a Universal Blessing from God through Me to all My Brothers.

You are the work of God.

“Heaven & Earth shall pass away” means that they will not always exist as separate states. My Word, which is the Resurrection and the Light, shall not pass away, because Life is Eternal. YOU are the work of God, and His Work is wholly loveable & wholly loving. This is how a man MUST think of himself in his heart, because this is what he IS.

Prayer

You will see miracles through your hands through me. You should begin each day with the prayer:

"Help me to perform whatever miracles you want of me today."

Prayer is the medium of miracles. Prayer is the natural communication of the Created with the Creator. Through prayer, love is received, and through miracles love is expressed.
